

1. [Philippe Peseux Art](#)

A great french artist as well. Bio in french: Né à Besançon en 1971. Etudes d'art plastique. Photographe et graphiste pendant 4 ans.

Colabore à plusieurs "zines" de B.D. (1991 à 97). Réalise des courts films d'animation (1992 à 96). Je recentre mon activité sur l'illustration à partir de 2000 en travaillant pour la presse, la communication, l'audiovisuel. Mon goût pour le croquis rapide et la représentation du mouvement vont intégrer petit à petit mon style de dessin. En 2003 j'édite "Dizzy Gillespie", ma première B.D. chez Nocturne Editions. Elle accompagne 2 CDs compilant les premiers titres du trompettiste. En 2004, ma B.D. "Marilyn Monroe" chez le même éditeur, accompagne l'intégrale des chansons de la star hollywoodienne. Un travail sur Vivaldi, est en préparation.

2. [LONGUA - Languages, Translations, Travel](#)

Do you want to study/work abroad? Are you just looking for language classes locally? Or a document to translate? With several  hundred universities around the world, great tips on travelling and language-learning, and a team of professional translators, we can arrange your stay abroad from A to Z and help you with any language-related issue you might have. The LONGUA-TEAM has been fostering cross-cultural understanding for many years now. We primarily specialize on the Asia-Pacific region, but we are also strong with Europe. Our team consists of experienced translators and cultural specialists.
